How I spend my time online? - My favourite app is Google, because Google have all answers of our questions,google is also safe. Young people to old people all

can use it. I can find anything in Google. Any problem in study,game,in phone,in generalknowledge I can see solution of all this. Anything is do on earthgoogle.inform me by news. I am feel safe when I am using Google.

- I also like Instagram. Because Instagram connect with friends, social media, and people. Instagram is very safe application.

My name is shrey. I am 16 years old. I am studying in 10 standard. I am live in rajkot, Gujarat. I am dancer.
